FIBER

PENNY RUGG ** weekday or weekend**

Friday, March 5th, 10 am – 3 pm OR

Saturday, March 13th, 10 am – 3 pm

Tuition: \$60, materials: \$15 (to instructor)

Instructor: Nancy Hubbard

This technique is a fabulous way to create beautiful decorative accents for the home, apply to clothing and accessories. The possibilities are endless. It's easy, it's fun, and you will be learning an almost lost folk art. Using scraps of wool or felt in rich colors, primitive shapes taken from nature, moons, stars and layers of circles (pennies) are appliquéd with a blanket stitch and embellished with simple embroidery. **See additional supply list online at exeterfinecrafts.com.**

Iris Paper Folding by Cindy Sauve

IRIS PAPER AND PHOTO FOLDING

Saturday, February 27th, 10 am – 1 pm

Tuition: \$36, materials: \$7 (pay instructor)

Instructor: Cindy Sauve

Create beautiful custom cards or wall hangings with the spiraling layers of paper in Iris folding. The intricate design makes it look complicated but it is surprisingly simple. This is *not* origami. It's more like making a quilt pattern with paper and tape instead of fabric and thread. Choose different templates and papers in creating your design, but feel free to bring your own special papers. The instructor will also demonstrate a different technique that you can try at home, using photographs.

NUNO FELTING – ART TO WEAR

Saturday, February 20th, 10 am – 2 pm

Tuition: \$48, materials: \$15 (pay instructor)

Instructor: Paula L. King

This class is for any experience level. You will learn about felting materials, techniques ("laminating" loose fibers to fabric, using wet felting techniques to form a new fabric) and a little folklore. Use Merino wool roving, other luxurious fibers, art yarns, wool curls, and organza silk fabric to create a decorative, lightweight art piece you can wear or hang proudly on your wall. Your finished work will be approximately 12" X 54". Bring 4 big towels with you. They will not be harmed.

Friday, March 12th, 10 am – 1 pm

Tuition: \$36, materials: \$10 (pay instructor)

Instructor: Cindy Sauve

Design your own mosaic frame or framed mirror from almost anything. Start with tumbled stained glass pieces and create a motif of your choice or choose a pattern suggested by the instructor. Learn to mix and apply grout. For those who feel more creative, the instructor will have a variety of old jewelry, buttons and beads but feel free to bring your own.
